DAA REACH Compliance Statement

(Regulation No 1907/2006/EC)

This statement confirms that K&J Magnetics, Inc. is aware of the requirements of REACH Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006. It is K&J Magnetics' intention to comply with the requirements of this regulation as the regulation applies to producers of Articles.

K&J Magnetics, Inc. part number:

DAA

...is an Article as defined in the REACH Regulation. It does not include substances that are intended to be released, in quantities totaling 1 tonne (2205 pounds) or more per year or otherwise.

Our last evaluation, testing and screening evaluated the 240 Substances of Very High Concern (SVHC) identified and listed as of January 23, 2024 by the European Chemical Agency (ECHA). Within a threshold of 1000 ppm, these SVHCs are not intentionally or knowingly added to K&J Magnetics, Inc. products during their manufacture.

As the ECHA continues to expand the list of SVHCs, we will continue to work with our suppliers to identify any SVHC components contained in the materials procured for use in manufacturing K&J Magnetics, Inc. products.
